 - (a) Part 2 Divisions 1, 2 and 3 do not apply to a HomeBuilder grant and instead entitlement to the grant and the eligibility criteria will be determined by the Commissioner (and published on a website determined by the Commissioner) in accordance with the terms of the National Partnership Agreement (and subject to subsection (2));
 - (b) sections 18 to 18C (inclusive) do not apply to a HomeBuilder grant and the amount of the grant is the amount specified by the National Partnership Agreement;
 - (c) the remaining provisions of this Act apply subject to modifications and exclusions prescribed by the regulations.
- (2) The Commissioner may determine that a person is not entitled to a HomeBuilder grant in respect of a transaction if the Commissioner is satisfied that the transaction—
 - (a) forms part of a scheme to circumvent limitations on, or requirements affecting, eligibility or entitlement to the grant; or
 - (b) replaces a previous transaction, entered into before 4 June 2020, that is for the same home or the same renovation.

- (a) the applicant or the applicant's spouse or domestic partner has been a party to an earlier application under this Act or a corresponding law; and
 - (b) a grant was paid on the application.
- (2) However, an applicant is not ineligible if—

- (3) An applicant for a first home owner grant is also ineligible if the applicant or the applicant's spouse or domestic partner—
- (a) could have successfully applied for a first home owner grant under this Act or a corresponding law in respect of an earlier transaction to which he or she was a party but did not do so; or
 - (b) could, assuming that he or she had then been an Australian citizen or a permanent resident, have successfully applied for a first home owner grant under this Act or a corresponding law in respect of an earlier transaction to which he or she was a party.

11—Criterion 4—Applicant (or applicant's spouse etc) must not have had relevant interest in residential property

- (1) An applicant for a first home owner grant is ineligible if the applicant or the applicant's spouse or domestic partner has, before 1 July 2000, held—

- (2) In working out for the purposes of subsection (1) whether an applicant held a relevant interest (within the meaning of this Act or a corresponding law) in residential property at a particular time, any deferment of the applicant's right of occupation because the property was subject to a lease is to be disregarded.
- (3) An applicant for a first home owner grant is also ineligible if, before the commencement date of the relevant transaction, the applicant or the applicant's spouse or domestic partner—
- (a) held a relevant interest in residential property in South Australia or an interest in residential property in another State or Territory that is a relevant interest under the corresponding law of that State or Territory; and

- (b) occupied the property as a place of residence for a continuous period of at least 6 months.

12—Criterion 5—Residence requirement

- (1) An applicant for a first home owner grant must occupy the home to which the application relates as the applicant's principal place of residence for a continuous period of at least 6 months (or a shorter period approved by the Commissioner) (the **residence period**), commencing within 12 months after completion of the eligible transaction (or within a longer period approved by the Commissioner) (the **completion period**).
- (2) The Commissioner may exempt an applicant (the **non-complying applicant**) from the residence requirement if—
 - (a) the applicant is one of 2 or more joint applicants for a first home owner grant; and
 - (b) at least 1 of the applicants complies with the residence requirement; and
 - (c) there are, in the Commissioner's opinion, good reasons to exempt the non-complying applicant from the residence requirement.
- (3) The Commissioner may, if the Commissioner considers there are good reasons for doing so, vary an applicant's residence requirement at any time (including after the end of the period allowed for compliance with the residence requirement) by approving a shorter residence period or a longer completion period (or both).
- (4) If the Commissioner varies a residence requirement under subsection (3), the requirement as varied will be taken to have been the applicant's residence requirement from the date of the determination of his or her application.

12A—Criteria—housing construction grant

- (1) Subject to this section, an applicant for a housing construction grant must be—
 - (a) a person who has entered into a contract for the purchase of the new home; or

 - (i) that he or she has not entered into a contract with a person to sell the new home; and
 - (ii) that he or she has no intention to enter into a contract for the sale of the new home before 1 January 2014; or
 - (b) satisfy the Commissioner that he or she is a party to a contract to sell the new home with a person who is entitled to make an application under subsection (1)(a) (the **purchaser**) and, under the terms of the contract, he or she is entitled to apply for the housing construction grant rather than the purchaser.

(3) If—

- (a) a housing construction grant is paid in the case of an application where the applicant has satisfied the Commissioner as to the matters referred to in subsection (2)(a); and
- (b) the person to whom the grant was paid (the *first grant recipient*), before 1 January 2014, enters into a contract for the sale of the new home to another person (the *purchaser*); and
- (c) the purchaser makes an application under subsection (1),

then—

- (d) a housing construction grant may be paid to the purchaser if the Commissioner is satisfied—
 - (i) that the contract between the first grant recipient and the purchaser constitutes a genuine sale of the new home; and
 - (ii) that no agreement exists between the first grant recipient and the purchaser that the first grant recipient is entitled to apply for the housing construction grant rather than the purchaser; and
- (e) the Commissioner may, by written notice, require the first grant recipient to repay the amount of the housing construction grant that has been paid to him or her.

- (4) If, in a case where subsection (2)(a) has applied, and the Commissioner issues a notice under subsection (3)(e), the first grant recipient must also pay to the Commissioner, at the time of repayment of the amount of the housing construction grant paid to the first grant recipient, an additional amount equal to the amount of the grant unless the Commissioner is satisfied that the first grant recipient genuinely changed his or her intention about not entering into a contract of a kind referred to in subsection (2)(a)(ii) due to extraordinary and unforeseen circumstances occurring after the housing construction grant was paid to the first grant recipient.

- (5) An amount payable under subsection (3)(e) or (4) (or both) must be paid to the Commissioner within a period (of at least 14 days) specified by the Commissioner.

Maximum penalty: \$5 000.

- (6) In connection with the operation of subsection (3)—

- (a) the Commissioner may make a payment under subsection (3)(d) despite section 7(5) (and whether or not an amount is recovered under subsection (3)(e)); and
- (b) to avoid doubt, the Commissioner may, in deciding whether a contract constitutes a genuine sale of the new home, take into account the matters referred to in section 18BAB(5), (6) and (7).

- (1) An applicant for a seniors housing grant must be—

- (a) a person who has entered into a contract for the purchase of a new home; or

- (2) If an application for a seniors housing grant is made by 1 person only—
 - (a) the applicant must satisfy the Commissioner that he or she is 60 or more years of age; and
 - (b) the applicant must occupy the home to which the application relates as his or her principal place of residence for a continuous period of at least 6 months (or a shorter period approved by the Commissioner) (the ***residence period***), commencing within 12 months after completion of the eligible transaction (or within a longer period approved by the Commissioner) (the ***completion period***).

 - (b) at least 1 of the applicants who is 60 years or more of age must occupy the home to which the application relates as his or her principal place of residence for a continuous period of at least 6 months (or a shorter period approved by the Commissioner) (the ***residence period***), commencing within 12 months after completion of the eligible transaction (or within a longer period approved by the Commissioner) (the ***completion period***).
- (4) The Commissioner may, if the Commissioner considers there are good reasons for doing so, vary an applicant's residence requirement at any time (including after the end of the period allowed for compliance with the residence requirement) by approving a shorter residence period or a longer completion period (or both).
- (5) If the Commissioner varies a residence requirement under subsection (4), the requirement as varied will be taken to have been the applicant's residence requirement from the date of the determination of his or her application.
- (6) Subject to subsection (7), an applicant for a seniors housing grant is ineligible if—
 - (a) the applicant or the applicant's spouse or domestic partner has been a party to an earlier application under this Act for a seniors housing grant; and
 - (b) a seniors housing grant was paid on the application.
- (7) However, an applicant for a seniors housing grant is not ineligible if—
 - (a) the seniors housing grant was later paid back; and
 - (b) the basis for the repayment of the grant was a failure to comply with the residence requirement or any conditions on which the grant was made; and

- (2) A contract is a contract for the purchase of a home if the contract is a contract for the acquisition of a relevant interest in land on which a home is built.
- (3) A contract is not an eligible transaction if the Commissioner is of the opinion that it forms part of a scheme to circumvent limitations on, or requirements affecting, eligibility or entitlement to a first home owner grant and the Commissioner will, unless satisfied to the contrary, presume the existence of such a scheme, if—
- (a) in the case of a contract to purchase a home—the purchaser had an option to purchase the home granted before 1 July 2000 or the vendor had an option to require the purchaser to purchase the home granted before that date; or

 - (ii) if the purchaser is to obtain a registered title to the land on which the home is situated—the necessary steps to obtain registration of the purchaser's title have been taken;
 - (b) in the case of a contract to have a home built—the building is ready for occupation as a place of residence;
 - (c) in the case of the building of a home by an owner builder—the building is ready for occupation as a place of residence.

- (6) If a person purchases a moveable building and intends to use it as a place of residence on land in which the person has a relevant interest but on which it is not situated at the time of purchase—
- (a) this Act applies as if the person were an owner builder building a home on the land; and
 - (b) the commencement date of the transaction is taken to be the date of the contract to purchase the moveable building; and
 - (c) the transaction is taken to be completed when the moveable building is ready for occupation as a place of residence on land in which the purchaser has a relevant interest.
- (7) The **consideration** for an eligible transaction is—

 - (b) in the case of a comprehensive home building contract—the total consideration payable for the building work;
 - (c) in the case of the building of a home by an owner builder—the actual costs to the owner of carrying out the work (excluding any allowance for the owner builder's own labour).

 - (b) the building work commences within 26 weeks after the contract is made, or any longer period the Commissioner may, in particular circumstances, allow; and
 - (c) the contract states that the eligible transaction must be completed within 18 months after the building work is commenced or, in any other case, the eligible transaction is completed within 18 months after the building work is commenced.
- (3) An eligible transaction that is the building of a new home by an owner builder is a **special eligible transaction** if the commencement date of the eligible transaction is between 14 October 2008 and 31 December 2009 (both dates inclusive) and the transaction is completed within 18 months after the building work is commenced.
- (4) Subject to subsection (5), an eligible transaction that is a contract for an "off-the-plan" purchase of a new home is a **special eligible transaction** if the contract is made between 14 October 2008 and 31 December 2009 (both dates inclusive) and—
- (a) in the case of a contract made between 14 October 2008 and 30 June 2009 (both dates inclusive)—

 - (ii) in any other case, the eligible transaction is completed on or before that date.
- (5) An eligible transaction that is a contract is not a special eligible transaction if the Commissioner is satisfied that—
 - (a) the contract replaces a contract made before 14 October 2008; and
 - (b) the replaced contract was—
 - (i) a contract for the purchase of the same home; or
 - (ii) a comprehensive home building contract to build the same or a substantially similar home.
- (6) The Commissioner may, in a particular case, if he or she considers there are proper reasons for doing so, extend the time within which a special eligible transaction must be completed under this section.

Division 1—Administration generally

31—Administration

The Commissioner is responsible to the Treasurer for the administration of the first home owner grant scheme and the administration of the new home grant scheme.

32—Delegation

- (1) The Commissioner may delegate functions related to the administration of the first home owner grant scheme or to the administration of the new home grant scheme.
- (2) Without limiting subsection (1), the Commissioner may enter into an agreement (an **administration agreement**) with a financial institution or other person under which—
 - (a) the Commissioner delegates functions related to the administration of the first home owner grant scheme or the new home grant scheme; and
 - (b) the financial institution or other person is required to carry out the delegated functions in accordance with specified conditions.
- (3) The conditions of an administration agreement may include conditions prescribed by the regulations.
- (4) If an administration agreement includes prescribed conditions, a financial institution or other person that contravenes a prescribed condition is guilty of an offence.
Maximum penalty: \$10 000.
- (5) The Commissioner may, at any time, at the Commissioner's discretion, revoke an administration agreement or any other delegation under this section.

Division 2—Investigations

33—Authorised investigations

An **authorised investigation** is an investigation to determine—

- (a) whether an application under this Act or a corresponding law for a first home owner grant has been properly made; or
- (b) whether an objection to a decision made under this Act or a corresponding law should be upheld; or

- (c) whether an applicant to whom, or for whose benefit, a first home owner grant has been paid under this Act or a corresponding law was eligible for the grant; or
- (d) whether a condition on which a first home owner grant has been paid under this Act or a corresponding law has been complied with; or
- (e) any other matter reasonably related to the administration or enforcement of this Act or a corresponding law.

34—Cross-border investigation

- (1) The Commissioner may, at the request of an authority responsible for administering a corresponding law, carry out an authorised investigation for the purposes of the corresponding law.
- (2) The Commissioner may delegate powers of investigation under this Division to the authority responsible for the administration of a corresponding law, or a person nominated by that authority.

35—Power of investigation

- (1) For the purposes of an authorised investigation, the Commissioner may, by written notice, require a person—
 - (a) to give the Commissioner written information specified in the notice; or
 - (b) to attend at a specified time and place before the Commissioner or the Commissioner's nominee to answer questions relevant to the investigation; or
 - (c) to produce a document to the Commissioner at a specified time and place.
- (2) The Commissioner may require that information given, or to be given, under this section be verified on oath or by statutory declaration.
- (3) A person who, without reasonable excuse, refuses or fails to comply with a requirement of the Commissioner under this section is guilty of an offence.
Maximum penalty: \$10 000.
- (4) A person who, having attended before the Commissioner or the Commissioner's nominee in response to a notice under subsection (1)(b), refuses or fails, without reasonable excuse, to answer a question relevant to the investigation is guilty of an offence.
Maximum penalty: \$10 000.

36—Powers of entry and inspection

- (1) An authorised officer may, for the purposes of an authorised investigation, exercise any of the following powers:
 - (a) inspect premises;
 - (b) require a person to produce a document relevant to the investigation for inspection and (if necessary) to operate a computer or other device in which information is stored to produce a document in understandable form;
 - (c) retain a document for inspection, to make a copy of it, or to take extracts from it;

- (d) require a person to answer questions relevant to the investigation;
 - (e) require a person to give the authorised person other assistance that may be reasonable in the circumstances to carry out the authorised investigation.
- (2) An authorised person may enter premises to carry out an authorised investigation—
 - (a) with the consent of the occupier; or
 - (b) on the authority of a warrant issued under subsection (3).
- (3) A magistrate may issue a warrant authorising an authorised officer to enter premises (using force that may be reasonably necessary in the circumstances) if satisfied that the warrant is reasonably necessary for the administration or enforcement of this Act.
- (4) An authorised officer may be accompanied by any assistants the authorised officer reasonably requires to carry out an authorised investigation.
- (5) A person must not—
 - (a) hinder or obstruct an authorised officer who is carrying out an authorised investigation or a person assisting the authorised officer; or
 - (b) use abusive, threatening or insulting language to an authorised officer who is carrying out an authorised investigation or a person assisting an authorised officer; or
 - (c) refuse or fail, without reasonable excuse, to comply with a requirement made by an authorised officer in the exercise of powers conferred by this section; or
 - (d) answer a question put by an authorised officer under this section knowing that the answer is false or misleading.

Maximum penalty: \$5 000.

37—Self incrimination

- (1) If a person is required to answer a question or to produce a document in the course of an authorised investigation, it is not an excuse for non-compliance that the answer to the question or the contents of the document might tend to incriminate the person or to make the person liable to a penalty.
- (2) However, if the person answers the question or produces the document after objecting to the requirement to do so on grounds of self-incrimination, evidence of the answer to the question or the production or contents of the document is not admissible in proceedings for an offence or for the imposition of a penalty other than proceedings under this Act.

Part 4—Miscellaneous

38—False or misleading statements

- (1) A person must not dishonestly make a false or misleading statement in or in connection with an application for a first home owner grant.
Maximum penalty: \$20 000 or imprisonment for 2 years.
- (2) A person must not make a false or misleading statement in or in connection with an application for a first home owner grant.
Maximum penalty: \$5 000.

-
- (3) It is a defence to a charge of an offence against subsection (2) to prove that the defendant's contravention of that subsection was neither intentional nor negligent.

39—Power to require repayment and impose penalty

- (1) The Commissioner may, by written notice, require an applicant (or former applicant) for a first home owner grant to repay an amount paid on the application if—
- (a) the amount was paid in error; or
 - (b) the Commissioner reverses the decision under which the amount was paid for any other reason.
- (2) If, as a result of the making of a false or misleading statement by an applicant, an amount is paid by way of a first home owner grant, the Commissioner may, by the notice in which repayment is required or a separate notice, impose a penalty not exceeding the amount the applicant is required to repay.
- (3) If an applicant (or former applicant) for a first home owner grant fails to make a repayment required under this section or the conditions of the grant, the Commissioner may, by written notice, impose a penalty not exceeding the amount the applicant is required to repay.
- (4) If an amount is paid in error on an application for a first home owner grant to a third party, the Commissioner may, by written notice, require the third party to repay the amount to the Commissioner.

40—Power to recover amount paid in error etc

- (3) If an applicant who is liable to pay an amount to which this section applies has, in relation to a home for which the first home owner grant was sought, an interest in the land on which the home was built or was to be built, the liability is a first charge on the applicant's interest in that land.
- (4) The Commissioner may recover an amount to which this section applies as a debt due to the Crown.
- (5) The Commissioner may enter into an arrangement (which may include provision for the payment of interest) for payment of a liability outstanding under this section by instalments.

- (6) The Commissioner may, on application by an applicant (or former applicant) for a first home owner grant, or on his or her own initiative, write off the whole or part of a liability to pay an amount to which this section applies if satisfied that action, or further action, to recover the amount outstanding is impracticable or unwarranted (but the Commissioner is under no obligation to consider whether to act under this subsection unless or until such an application is made or it otherwise appears necessary for him or her to do so).

40A—Extensions of time

- (1) If the Commissioner is authorised to extend a time limit, or to shorten a minimum period, under this Act, the Commissioner may, if to do so is consistent with the provisions of this Act, extend the time limit or shorten the period even if it has already expired.
- (2) This section applies to any time limit, whether it expired before or after the commencement of this section.

41—Protection of confidential information

- (2) A person who is subject to a duty of confidentiality must not disclose protected information except as permitted by subsection (3).

Maximum penalty: \$10 000.

- (3) Protected information may be disclosed—

- (a) at the request or with the consent of the person to whom the information relates or a person acting on that person's behalf; or
- (ab) in order to let a person know whether a housing construction grant or seniors housing grant has been paid in relation to a particular home; or
- (b) in connection with the administration or enforcement of—
- (i) this Act or a corresponding law; or
- (ii) a taxation law of the Commonwealth or a State; or
- (c) for the purposes of legal proceedings; or
- (d) as authorised under the regulations.

42—Evidence

- (1) A certificate signed by the Commissioner stating that a first home owner grant was paid to a person named in the certificate on a specified date is admissible in legal proceedings as evidence of the payment.
- (2) A copy of a notice issued by the Commissioner imposing a penalty under this Act is admissible in legal proceedings as evidence of the imposition of the penalty.
- (3) A copy of a notice issued by the Commissioner requiring the payment or repayment of a specified amount is admissible in legal proceedings as evidence—
 - (a) that the requirement was made; and
 - (b) that the amount specified in the notice was outstanding at the date of the notice.

46—Regulations

- (1) The Governor may make regulations for the purposes of this Act.
- (2) A regulation may prescribe a penalty (not more than \$2 500) for contravention of the regulation.
- (3) A regulation made for the purposes of a provision of this Act that operates retrospectively may itself operate retrospectively provided that it does not do so to the prejudice of any person.
- (4) A regulation made for the purposes of section 13A or 18 may operate retrospectively provided that it does not do so to the prejudice of any person.
